

Remote Access: Be Part of the conference from your desk!

Our remote access sessions allow you to access the conference from your PC or mobile device when travel does not permit you attending in person.

Once joined you will be able to **see & hear the live speakers and their presentations** and have the ability to ask questions, from your question and answer panel, within the software.

Easy 2 step process to join...

After purchasing access to the conference, you will be sent a link to join the conference.

1

Pre-Conference

Remote access purchase & registration

- Purchase remote access to the event online via our website
- Receive a link to register your details for the upcoming event
- Save the information straight to your online calendar

2

Conference Day's

Produced and hosted by SMi Group

- Click the link provided - this will open the Zoom software
- When prompted click run
- You will be joined to the conference and be able to view the presentations and the live video feed
- You can ask questions via the Q&A panel in Zoom

Post Conference

Extras & portal access

- Access to the Document Portal containing the presentations from the conference
- Access to Pre-Conference material via the SMi website

Pre-Purchase & registration is required to gain remote access to the conference. Remote access is provided only when sufficient numbers of attendees request this service.

If you require technical assistance or have any issues please contact SMi Group IT support on it@smi-online.co.uk or call +44 (0) 20 7827 6740

*On some occasions presenters may use their own device at the podium/lectern, on these occasions it will not be possible to share the slide content via the Zoom system.
